

# UNDERGRADUATE EMBEDDED CERTIFICATE IN LEADERSHIP AND ORGANIZATIONAL CHANGE

This certificate will prepare the student to: plan, structure, mobilize, and transform the "people side" of organizations in order to maximize productivity and drive innovation.

The certificate focuses on: managing and leading individuals & teams; leadership across cultures; through analytics & modeling, optimization of human resource deployment, and leadership decision-making; leadership across business functions; management consulting; as well as formalizing the processes of innovation and organizational change.

This certificate is available to all undergraduate students at Georgia Tech.

For more information about Scheller College of Business certificates and how to apply, [click here](#).
